(iv) Shared Power to dispose or to direct the disposition of:

4.1% of the Subordinate Voting Shares (22.5% of the Subordinate Voting Shares, assuming conversion of all of the Multiple Voting Shares into Subordinate Voting Shares). 86.2% of the combined voting power of the Issuer's Subordinate and Multiple Voting Shares; each Subordinate Voting Share is entitled to one vote and each Multiple Voting Share is entitled to twenty-five votes.

As of the date hereof, Onex beneficially owns 45,861,189 Subordinate Voting Shares of the Issuer, including (i) 6,795,239 Subordinate Voting Shares and (ii) 39,065,950 Subordinate Voting Shares issuable upon conversion of Multiple Voting Shares of the Issuer; each Multiple Voting Share is currently convertible into one Subordinate Voting Share. On March 8, 2000, in a private placement, a subsidiary of Onex (the "Onex Subsidiary") issued approximately \$366.6 million principal amount of exchangeable debentures due 2025. The exchangeable debentures are exchangeable and redeemable for an aggregate of 5,548,320 Subordinate Voting Shares, in certain

circumstances, during their 25-year term. On July 6, 2000, in a private placement, Onex Subsidiary issued approximately \$112.5 million principal amount of exchangeable debentures due 2025. These exchangeable debentures are exchangeable and redeemable for an aggregate of 1,500,000 Subordinate Voting Shares, in certain circumstances, during their 25-year term. On September 11, 2000, in a private placement, Onex Subsidiary issued approximately \$176.2 million principal amount of exchangeable debentures due 2025. These exchangeable debentures are exchangeable and redeemable for an aggregate of 1,500,000 Subordinate Voting Shares, in certain circumstances, during their 25-year term. On October 16, 2000, in a series of private placements, certain Onex Subsidiaries issued approximately \$73.7 million principal amount of exchangeable debentures due 2025. These exchangeable debentures are exchangeable and redeemable for an aggregate of 666,000 Subordinate Voting Shares, in certain circumstances, during their 25-year term. In connection with the exercise by a holder of a debenture of its right to exchange the debentures for Subordinate Voting Shares, any redemption of the debentures at the option of the Onex Subsidiary or the repayment of the debentures at maturity or following an event of default, the Onex Subsidiary may, at its option, satisfy its obligations by payment of a cash amount specified in the debentures, by delivery of Subordinate Voting Shares at their then current market price or by any combination of cash and Subordinate Voting Shares. If the Onex Subsidiary does not have sufficient Subordinate Voting Shares, the requisite number of Multiple Voting Shares held by the Onex Subsidiary will immediately be converted into Subordinate Voting Shares, which shares will be delivered on the exchange. During 2000 Onex and its affiliates (the "Onex Entities") entered into the following forward sale agreements with Merrill Lynch Canada, Inc. ("Merrill") relating to Subordinate Voting Shares. Shares have been pledged as collateral for these forward sale agreements.

Series	Maturity Date	Number of Subordinated Voting Shares	Reference Price Per Share
-----	-----	-----	-----
One	May 31, 2001	84,259	Cdn \$101.00
Two	August 17, 2025	472,840	Cdn \$101.00
Three	April 30, 2001	29,569	Cdn \$125.51
Four	November 2, 2025	1,284,627	Cdn \$117.78

The reference price approximates the market value of a Subordinate Voting Share at the time the forward sale agreement was entered into. The reference price under the contracts increase over time. At any time before the maturity dates set forth above, Merrill may purchase the applicable Subordinate Voting Shares at the applicable reference price set forth above per Subordinate Voting Share (the "Forward Price"). On each maturity date the Onex Entities may deliver the applicable Subordinate Voting Shares or they each may elect to settle the trade with a cash payment (the "Cash Settlement"). If the closing price of the Subordinate Voting Shares on the Toronto Stock Exchange (the "Future Trading Price") is greater than the Forward Price, the Onex Entities that elect the Cash Settlement agree to pay Merrill Lynch an amount in cash equal to the difference between the Future Trading Price and the Forward Price multiplied by the number of Subordinate Voting Shares as to which the Cash Settlement election is made (the "Equity Amount"). If the Future Trading Price is less than the Forward Price, Merrill has agreed to pay each Onex Entity that elects the Cash Settlement an amount in cash equal to the absolute value of the Equity Amount. Of the Multiple Voting Shares owned beneficially by Onex, 11,635,958 Multiple Voting Shares are held by wholly-owned subsidiaries of Onex, including 9,214,320, Subordinate Voting Shares (issuable upon conversion of Multiple Voting Shares) that may be delivered, at the Onex Subsidiary's option, upon the exercise or redemption, or at maturity or acceleration, of exchangeable debentures due 2025 described above.
